ALL BUSINESSES SHALL CARRY OUT TO THE GREATEST DEGREE POSSIBLE CDC RECOMMENDED SOCIAL DISTANCING AND CLEANING GUIDELINES IN ALL SITUATIONS.

1) **Personal care services** include, but are not limited to, barbers, hairdressers, manicurists, estheticians, piercing technicians, tattoo artists, and massage therapists.

2) **Non-essential Business** means any for-profit, non-profit, or educational entity, regardless of its corporate or entity structure, that does not qualify as an "Essential Business" as defined under the order.

3) **Essential Business** means any for-profit, non-profit, or educational entity, regardless of its corporate or entity structure, to the extent that a substantial element of its daily operations is included in the following activities: Health care; food and drink production and distribution; sanitation; transportation; auto repair and service; financial services; manufacturing and distribution of supplies and materials for essential businesses; maintenance and construction of infrastructure and households; building supply stores; childcare services; essential government operations; residential care facilities; hotels and motels; media and communication providers; mailing, shipping and delivery services. *(A full and more detailed list can be found in the original order.)*

4) Includes indoor or outdoor venues and conference centers.

5) An **Enhanced Risk Activity** is any business or non-business activity that enhances the risk of the spread of a communicable disease by bringing groups of people together to share the same space, indoors or outdoors, in close physical proximity for a period of time. **An Essential Business or Non-essential Business may provide an Enhanced Risk Activity, at any one time for a particular facility, to a maximum of 25 total customers and/or patrons or the number of total customers and/or patrons for whom social distancing may be strictly observed given the available space for the activity at the facility, whichever is less, and provided that no counter seating shall be used and no physical contact shall be allowed during the Enhanced Risk Activity.**
